# Tariff of Mortgage Charges

Hodge is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help consumers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

## WHEN WILL YOU PAY THIS CHARGE

**Before your first monthly payment** – These are the fees and charges you may have to pay before we transfer your mortgage funds.

Name of Charge	What this charge is for	How much is the charge?
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£30
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor directly to you, unless we tell you that we will contribute to the legal costs as part of your product deal.	Variable Please check directly with your solicitor.
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	£995 £0 options available on 50+/RIO range.
Valuation fee	We'll instruct a valuation to make sure the property you've applied for the mortgage for is suitable. The valuation fee is non-refundable once the property assessment has been carried out (if payable). We also strongly recommended you obtain your own survey report.	Free for properties up to and including the value of £1 million.

Consent to let fee	If you want to let your property but don't have a buy-to-let mortgage, you'll pay this for each 'consent to let' agreement, where we agree to you letting out your property for a set period within your existing owner-occupier mortgage.	£200
Giving you a reference	Charged if another lender asks us for a mortgage reference, such as how you managed your mortgage account with us. We will only supply this if you give us permission.	£30
